-
- A detailed embroidery design of a butterfly. The wings are primarily pink with intricate orange and blue patterns. The body is pink with a small orange and blue detail. The design is symmetrical and features a variety of geometric and floral motifs.

-
- A vibrant, stylized butterfly with symmetrical wings. The wings are primarily pink and orange, with intricate patterns of blue, yellow, and white. The body is a bright pink, and the antennae are thin and curved. The butterfly is positioned centrally at the top of the page.

-
- A vibrant, stylized butterfly with symmetrical wings. The wings are primarily pink with orange borders and intricate patterns of blue, yellow, and white. The body is pink with a small black dot on the head. The butterfly is positioned centrally at the bottom of the page.

-
- A vibrant, stylized butterfly with symmetrical wings. The wings are primarily pink with orange and blue accents. Each wing features a large, circular, mandala-like pattern in the center, surrounded by smaller geometric shapes like triangles and dots. The body is a simple pink line with two antennae. The overall style is reminiscent of traditional folk art or embroidery.
