

This embossed design is embroidery-only with three color stops.

To recreate the look of our primary sample image we recommend using tearaway stabilizer on the back of the towel and a thin water soluble stabilizer (like Sulky Solvy) on the top of the towel.

We used one coordinating thread color for a tone-on-tone look for all three steps, but the three color stops allow for you to use multiple thread colors if you choose.

The zip file includes these sizes:

1 Ivory
2 Rich Red
3 Blaze Medium
