

This motif design is embroidery-only with two color stops. To recreate the look of our primary sample image we recommend using tearaway stabilizer on the back of the towel/blanket and a thin water soluble stabilizer on the top. We used one thread color for both steps, but the color stops allow for you to use multiple thread colors if you choose.

The zip file includes 53 sizes. They are sorted into folders based on the height of rectangle (2" - 6").
