

Step 1 is fabric placement line for lettuce.

Step 2 tacks down the fabric (we recommend using a coordinating thread color). Trim fabric before moving on to the next step, leaving a seam allowance for a raggy finish.

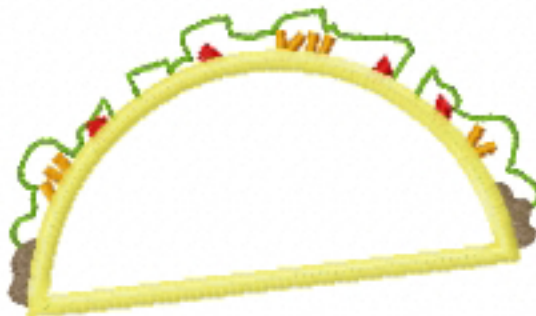

Step 3 is bean stitch finishing stitches around lettuce.

Step 4 is fabric placement line for shell.

Step 5 tacks down the fabric. Trim fabric before moving on to the next step.

Steps 6 and beyond are satin stitches and details.
