

Steps 1-10 are for the applique birds:

Steps 1 and 3 are fabric placement lines.

Steps 2 and 4 tack down the fabric. Trim fabric before moving on to the next step.

Steps 5-10 are satin stitches and details.

Steps 11-14 are for the raggy nest:

Step 11 is fabric placement line for the nest. (For a really raggy look, you can use a layer of flannel under the fabric. For a more polished look, simply use fabric with HNBL.)

Step 12 tacks down the fabric, leaving a bit of a seam allowance for a raggy look.

Steps 13-14 are triple bean stitches to finish the nest and details.

Steps 15-19 are for the applique flowers:

Step 15 is fabric placement line.

Step 16 tacks down the fabric. Trim fabric before moving on to the next step.

Steps 17-19 are satin stitches and details.

Dimensions and stitch counts of the designs can be found on page 2.
