

The Crayon Name Frame Sketch is made by combining two design files with the font of your choice (sold separately). To best match the direction of stitching of our sketch fonts, there are two versions of the Crayon Frame: Pointing Left and Pointing Right. Choose a direction and then select Parts A and B in the same size as the font you want to use. Use alignment tools in your embroidery editing software to align the centers of the crayon parts and lettering.

Each part of the design has two colors:

Pointing Left:

CrayonTip (part A)

Step 1 is crayon color

Step 2 is black accent line

Crayon End (part B)

Step 1 crayon color

Step 2 is black accent line

Pointing Right:

Crayon End (part A)

Step 1 crayon color

Step 2 is black accent line

CrayonTip (part B)

Step 1 is crayon color

Step 2 is black accent line

11 sizes are included (0.5", 0.75", 1", 1.25", 1.5", 1.75", 2", 2.25", 2.5", 3", and 3.5")
