

The Pencil Name Frame Sketch is made by combining two design files with the font of your choice (sold separately). To best match the direction of stitching of our sketch fonts, there are two versions of the Pencil Frame: Pointing Left and Pointing Right. Choose a direction and then select Parts A and B in the same size as the font you want to use. Use alignment tools in your embroidery editing software to align the centers of the pencil parts and lettering.

Each part of the design has two colors:

Pointing Left:

Pencil Tip (part A)

Step 1 is light brown wood

Step 2 is black graphite

Pencil Eraser (part B)

Step 1 pink eraser

Step 2 is silver trim

Pointing Right:

Pencil Eraser (part A)

Step 1 pink eraser

Step 2 is silver trim

Pencil Tip (part B)

Step 1 is light brown wood

Step 2 is black graphite

11 sizes are included (0.5", 0.75", 1", 1.25", 1.5", 1.75", 2", 2.25", 2.5", 3", and 3.5")
Exact dimensions and stitch counts are on the following pages.
