

These frames are sized to coordinate with our Natural Circle Applique Monogram. For example, use "FootballMonogramFrameAppI2S for5_5in.pes" with a 5.5" monogram.

Whether you combine the monogram and frame at your machine or in software, stitch the monogram first, then the frame, aligning their centers.

Step 1 is fabric placement line for football.

Step 2 tacks down the fabric. Trim fabric before moving on to the next step.

Step 3: satin stitches around football fabric

Step 4: satin stitch football laces that will stitch over the monogram you have already embroidered

The sizes below are for the frame only. When combined with a monogram, the final height will be the same as the monogram.
