Step 1 is fabric placement line.

Step 2 tacks down the fabric. We recommend using the same thread color you intend to use for the next bean stitch step. For a raggy look, leave a bit of a seam allowance when you trim around the numbers. For a more polished look, use a fusible product on your applique fabric and trim close to the line.

Step 3 is bean stitch step to finish off the numbers.

Steps 4 and beyond are the rest of the details.
